

2011 SUMMER LEGO® CAMPS

Register and pay on-line at
www.bricks4kidz.com

For additional information: (502) 724-3163 or sharon@bricks4kidz.com
All children will receive a Bricks 4 Kidz™ t-shirt at each camp.

June 13-16 Transportation Camp ages 6-12 Creasey Mahan Nature Preserve

- **Monday-Thursday, 9:00 am-12:00 pm**

Do you like cars? Let's build lots of LEGO® cars with motors and remote controls so we can have races! How about planes and helicopters? They may not fly, but adding motors will make the propellers move! We can build other types of transportation like boats too. Be creative and make your own cool creation and add it to our camper designed airport and LEGO® city! **\$125/camper**

- **Monday-Thursday, 8:30 am-5:00 pm. Pack a lunch...snack provided!**

This all-day camp is designed to support the working parent. The morning will include the above Transportation Camp. The afternoon will include nature walks and games galore. We'll have LEGO® board games, video games and movies for extra entertainment. **\$250/camper**

July 11-14 Movie Making Camp ages 7-12 Creasey Mahan Nature Preserve

- **Monday-Thursday, 9:00 am-12:00 pm**

That's right! Lights, camera, LEGO®! Take your creativity to the next level. Is the future Steven Spielberg enrolled here? We'll find out after the students create and develop an adventure movie and build a movie studio with LEGO® bricks. The students will then film their movie using a digital camera! After adding/editing movie dialogue, sound effects, music and graphics, they'll create titles, credits, and text. When the movie is complete, they'll impress friends and family with their movies! We can't wait to see some award winning movies! *+Final Day of Camp parents are asked to join us for a premier!* **\$150/camper**

****Minimum 6 campers per camp/maximum 15**

Since we use our LEGO® supplies in classes throughout the year, students do not take projects or pieces home unless specified.
